

Welcome back to the Different Isn't Bad podcast for kids. This is the last of three episodes on angels. If you haven't heard the other ones go back and listen to episodes 81 the good angel & 82 the fighting angel.

Today we end our series on angels with something that might surprise you!  
Listen in.

Did you know that there was an angel who started out good and then made the choice to disobey?

Yes! His name was Lucifer. The other name for Lucifer is Satan!

What??? You mean Satan was once an angel Miss Robin?

Yes kids.

But Lucifer wanted to be a god!! He was all about himself!

In the book of Ezekiel chapter 28 God spoke to the prophet Ezekiel and told him about Lucifer. He said "In the pride of your heart you say, "I am a god"

Because of this God tells him he has to leave heaven. Lucifer (Satan) leaves heaven but not before taking a third of the angels with him.

Have you ever seen this happen? You choose to obey the rules at school or home and someone else chooses to disobey the rules and take a bunch of your friends, or maybe your siblings or maybe kids you thought were your friends with them to do the wrong thing?

In the end, the Bible says in Number 32:23 "Be sure your sin will find you out"

That means that God knows and sees everything, even what we think, so we should always make things right with him and try our best to do what is good.

When we mess up, and we will because we are not a god, then we should ask for forgiveness.

Remember what happens when one of God's children asks forgiveness? That's right, the angels have a party in heaven.

Remember in episode 82 I talked about Micheal the archangel fighting a dragon?

Well guess who that dragon is?

You got it! It was Lucifer or Satan.

No need to worry kids, God uses Micheal the archangel to win the fight against Lucifer the dragon!

God wins in the end and so do we, because we're God's children.

I want to be part of the winning team don't you? When we join God's family we can be sure that in the end He wins the battles.

But Miss Robin, it doesn't always feel like we win when we obey God.

I know it doesn't kids. Right now lots of bad things are happening but God is still in control and He will make it all work out for your good.

Keep obeying Him and love Him and love others. Love is the greatest thing God asks his children to do. That's how other people know we are his children.

John 13:35 says "By this everyone will know that you are my disciples (someone who obeys and follows Jesus) if you love one another."

So let's go out and be kind to people, even those who aren't so kind to us. Maybe then they will see Jesus in us.

Now it's time to talk about today's story. Remember to pause the podcast after each question.

What did Lucifer want to be?

What is another name for Lucifer ?

Who wins the war in the end ?

Do we need to be afraid if we are God's children?

What heavenly beings does God send to watch over you?

Do we become angels when we die?

Have you ever been tempted to do what is wrong? How can you get stronger and be able to stand against what is wrong?

\*\*\*\*\*

Now here's our verse for today.

I'll say it first then you say it with me, ok?

John 13:35 "By this everyone will know that you are my disciples if you love one another."

Now it's your turn to say it with me. Here we go.

John 13:35 “By this everyone will know that you are my disciples if you love one another.”
